General Description

- The Varimixer Economy 302 Meat Grinder is capable of 180 lbs an hour. The main body, feedscrew and feedpan is constructed of stainless steel, the pusher is white plastic. The knife and blades are made of tool steel. The 302 comes standard with a 1/4" disc, knife, stainless steel feedpan, plastic pusher and sausage horn. There are also 10 additional blades sizes available, 1/16", 3/32", 1/8", 5/32", 3/16", 1/4", 5/16", 3/8", 1/2", 5/8" and 3/4". There is an optional stainless steel receiving tray.

NOTE: These products will only fit into Varimixer products that are equipped with a #12 Hub.

Optional 330 Receiving Tray
